**SAFELY ETCHES & REMOVES CONCRETE WITHOUT HEAVY ACIDS**

.....

## WHAT IS CON-X?

Con-X is a non-hydrochloric, non fuming acid based concrete remover. This product contains a special blend of organic acids that will safely remove concrete from vehicles and other concrete surfaces. This product will remove layers of concrete from trucks, forms, equipment, and from mixers. Con-X goes to work immediately and is harmless on most paints and finishes when used as directed. This special blend allows for safer handling, decreasing costs of repair and maintenance on vehicles.

## BENEFITS:

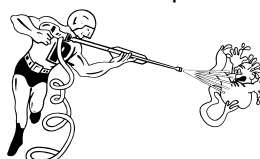

- Goes to work immediately. There is no reaction time needed.
- Non-fuming formula.
- Contains all natural acids.
- Will remove rust without attacking vehicles metals.
- Saves time...One step cleaning action eliminates the need for a multiple line of cleaning products.
- Easy application.
- Contains special wetting agents that dissolve tough carbonates, leaving behind a new looking natural color surface.
- Highly economical...Highly concentrated for maximum dilution rates, decreasing maintenance costs by up to 50%.

## DIRECTIONS FOR USE:

Before using, make sure that the desired surface is cool to prevent early evaporation.

Con-X may be diluted with up to 3 parts water or can be used straight depending on cleaning demands. Flexibility allows for more economical application where desired.

For best results, apply Con-X with a hand held sprayer and cover the desired area. Foaming indicates product is reacting. When foaming stops, rinse completely with water. Follow up with truck wash detergent for optimal cleaning.

## APPLICATIONS:

- Trucks
- Truck Barrels
- Mixing Equipment
- Heavy Duty Equipment
- Concrete Floors
- Restoration

## Product Reorder No:

0506-55	55 Gallon Drum
0506-30	30 Gallon Drum
0506 -5	5 Gallon Pail

## TECHNICAL DATA:

Color.....	Pink
Odor.....	Faint
pH.....	2-3
Form.....	Liquid
Flash Point.....	212°F
Foam.....	Moderate
Biodegradable.....	100%
