Power Pak KIT
TRUCK BRITE

Special 2 Part Heavy Duty Truck & Trailer Wash Kit

PROFESSIONAL SERIES

APPLICATIONS:

- Truck Wash Systems
- Manual & Automated Systems
- Trucks & Trailers
- Heavy Duty Equipment
- 2 Step Process

WHAT IS TRUCK BRITE?

Truck Brite is a super concentrated 2 part detergent kit designed for heavy duty cleaning. This product contains special additives that provide a foaming action and lubrication while reducing corrosion of the metal. This special kit will aid in the removal of carbon soot, road film, and heavy soils without the need of extensive brushing. Anyone already using kits will find this product to exceed their expectations.

BENEFITS:

- Special 2 part kit allows for economical dilutions.
- Specially formulated for deep penetration of dirty and weathered aluminum trailers and box trucks.
- Can be used in hot and cold water applications.
- Special space saving package.
- Only contains 2 parts for easy preparation.
- Truck Brite is biodegradable and can be used in almost any pressure wash system.
- Contains special sheeting agents for easy rinsing.

DIRECTIONS FOR USE:

Read label and Material Safety Data Sheet before using this product. Presoak surfaces to be cleaned. Clean from bottom up. Hold pressure wand at 45 degree angle with the surface to be cleaned so the spray bounces away from the operator. Cover surfaces quickly with cleaning solution. **Do not allow cleaning solution to dry on surfaces.**

DILUTION INSTRUCTIONS:

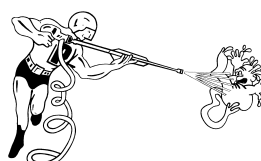

Add Part #1 and Part #2 to 45 gallons warm water. Mix solution thoroughly until all the powders are dissolved and the solutions is uniform. This solution can then be used at 20-50:1 depending on the quality of the surfaces being cleaned.

Product Reorder No:

2684-P1	Liquid Part 1
2684-P2	Powder Part 2

TECHNICAL DATA:

Color.....	Red
Odor.....	Faint
pH.....	14
Form.....	Liquid
Flash Point.....	212°F
Foam.....	High
Biodegradable.....	100%
