2686-P2 Powder Part 2

TECHNICAL DATA:

Color.....Blue
Odor.....Faint
pH.....12.9
Form.....Powder / Liquid
Flash Point.....212°F
Foam.....High
Biodegradable.....100%

WHAT IS BR-405K?

BR-405K Power Wash Concentrate is a highly concentrated 2 part kit. Versatile enough to be used as a heavy duty truck wash detergent or as a multi-purpose fleet wash. This product can be used on everything from small cars and trucks to the heavy soot and grease covered surfaces of trucks and trailers. BR-405K contains water softeners to prevent spotting in hard water areas, sheating agents to enhance rinsing, and corrosion inhibitors to help fight against rust and oxidation build-up. This product is formulated with the cleaning professional in mind.

BENEFITS:

- Formulated for the truck wash or mobile pressure wash cleaning professional.
- Strong enough to be used as a touchless wash detergent or dilute for an incredible all purpose detergent.
- Cuts thorough heavy dirt and road film without brushing.
- Safe on all paints and polished aluminum.
- Quick & easy rinsing.
- Dry residual can be easily rinsed off.
- 2 Part kit allows for easy handling and storage.

DIRECTIONS FOR USE:

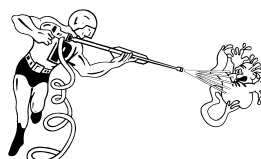

Read the entire label and Material Safety Data Sheet before using this product. Cover surfaces quickly with cleaning solution. Do not allow cleaning solution to dry on surfaces.

DILUTION INSTRUCTIONS:

For heavy duty cleaning:

Add Powder Part 1 and Liquid Part 2 to 50 gallons of warm water. Can then be used 20-50:1 through a downstream injector.
