6442-1	4x1 Gallon

TECHNICAL DATA:

Color.....	Red
Odor.....	Faint
pH.....	13.5
Form.....	Liquid
Flash Point.....	212°F
Foam.....	Moderate
Biodegradable.....	100%

WHAT IS Special Equipment?

Special Equipment is a heavy duty cleaner that removes heavy grease, oil, and dirt from all equipment, truck chasis and fifth wheels. It is 100% water soluble and will prevent clogging of coils in steam cleaners and pressure washers. Remarkable product also helps prevent corrosion by leaving a protective mono molecular film on the surface.

BENEFITS:

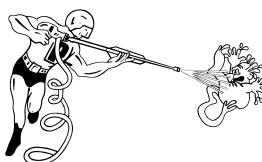

- Specially formulated for deep penetration of heavy baked on oil, grease, and dirt.
- High foaming and economical allowing for multiple concentrations and applications.
- Contains materials to coat heating coils and prevent corrosion to both iron & yellow metals.
- Contains sequestering & chelating agents to prevent scale build up on coils when used on a regular basis.
- Safe for use on all non-painted metal surfaces
- Contains no dangerous acids or abrasive chemicals
- Will not leave behind spots or streaks on well rinsed surfaces.

DIRECTIONS FOR USE:

Read the entire label and Material Safety Data Sheet before using this product. Do not allow cleaning solution to dry on surfaces.

DILUTION INSTRUCTIONS:

Consult your local representative for specific use instructions.
